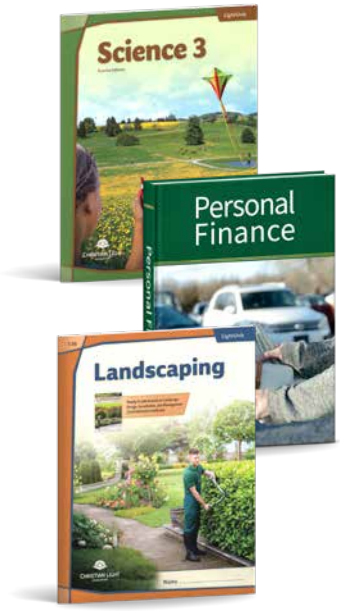
2026 CURRICULUM UPDATE

Curriculum Development Update 2026

Over the next few years, we plan to release several new science courses to update our science curriculum. We are also doing significant work rewriting several social studies courses, with work on lower-elementary courses beginning soon. Additionally, we're developing teacher's guides for courses that still need them, such as *Changing Frontiers* (Grade 8 Social Studies) and Algebra 1.

Available Now

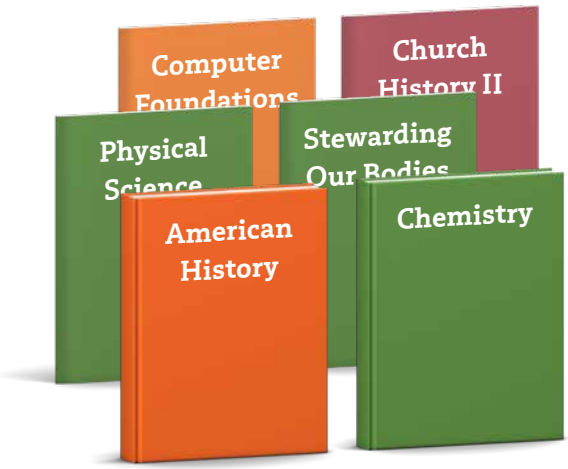
Ready for you to purchase today!



- Science 3
- Personal Finance
- Landscaping

Projected for 2027-2028

The following courses are projected to be available in time for the 2027-2028 school term.

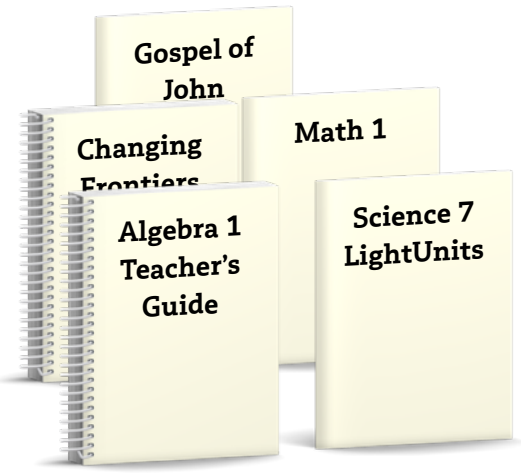


- Chemistry*
- American History (Grade 11)
- Stewarding Our Bodies (8th Health)*
- LightUnits for Apologia Physical Science
- Computer Foundations†
- Algebra 1 Teaching Videos†
- Church History II†

* Course projections are less certain.
† Available by the end of 2026.

Future Courses

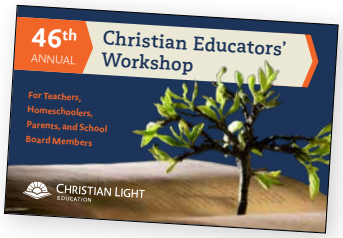
We are actively working on these courses, but we cannot currently give a projection of when they will be available.



- Gospel of John (10th Grade)
- Changing Frontiers Teacher's Guide (Grade 8)
- Math 1 2nd Edition
- Algebra 1 Teacher's Guide
- Science 7 LightUnits

For Teachers, Homeschoolers, Parents, and School Board Members | Please register at least two weeks in advance.

Christian Light's 46th Annual Christian Educators' Workshop



The Christian Educators' Workshop brochure containing the workshop program, speakers, and itinerary was mailed in June.

For general questions or for additional copies of the workshop brochures, please contact Christian Light at 540-434-0750, toll free 877-226-8010, email *school.support@christianlight.org*, or view/download the brochure at *www.christianlight.org/school/workshops*.

For questions about workshop locations or to register to attend, call the contact person listed for that location.
