1.1 Intentional Leaders (*fathers*) – Leonard Martin

What is the goal for your family? Does your family have purpose, or does life just happen? How much thought have you put into your family's future? Are your wife's needs met? What about your children's? If you aim at nothing, you will hit it every time. Live with intention.

1.2 Intentional Helpers (*mothers*) – Jean Martin

We wives have ideas of how things should be done. Sometimes our ideas differ from our husband's. Have we really heard his heartbeat? Do we know what his vision is for the family? Come learn ways to be an effective helper. There is peace and success in working together toward the same goal.

1.3 Consistent Leaders (*fathers*) – Rudy Kurtz

You know what you want for your family. You know what it takes to achieve your ideals, but busyness distracts you. You find it hard to find time to do the things you want to do every day with your family. Time is running out. Your family is getting older. Living for God is daily. Learn to lead by example.

1.4 Motherhood Maintenance (*for mothers*) – Julia Stauffer

You're burned out. You can't reach around anymore. You find yourself letting the most important things go. You're giving all the time, but what about your well-being? Are you feeding yourself? Come find ways to take care of yourself intellectually, spiritually, and physically.
