

Errata for Carpentry Answer Key

We strive to maintain a high standard of quality in all our products. However, we are human, so occasional errors are inevitable. The list below includes all significant errors that we are aware of in this course (it does not include things like minor typos). These errors will be corrected in the next printing. If you find an error that is not listed below, please let us know by contacting us at curriculum@christianlight.org.

1st Printing 2021

Unit/Lesson	Page number	Description of error
