

Errata for Horticulture Answer Key

We strive to maintain a high standard of quality in all our products. However, we are human, so occasional errors are inevitable. The list below includes all significant errors that we are aware of in this course (it does not include things like minor typos). These errors will be corrected in the next printing. If you find an error that is not listed below, please let us know by contacting us at curriculum@christianlight.org.

1st Printing 2023

Unit/Lesson	Page number	Description of error
LU 7, Assignment 3	24	The answer for LightUnit Question No. 1 should be C.
LU 4, Self Check 1	50	The answer for Know and Understand No. 15 should be C.
LU 6, Self Check 3	58	The explanation for Know and Understand No. 14 should say something to this effect: A roof must be functioning well to be eligible for retrofitting.
LU 9, Self Check 2	66	The answer for Know and Understand No. 14 should be T.
LU Test 4	LU Test AK p. 3	The answer for No. 27 should include 10% potash rather than 20%.
