

Literature I Sunrise Edition

based on *Perspectives of Life in Literature* textbook

The textbook includes five units: the short story, poetry, biography, reflections, and allegory. Exercises in the textbook develop vocabulary, reading comprehension, thinking skills, and composition skills. Student materials include a student study guide (which divides the textbook units into ten study units—each with a Self Check and discussion suggestions) and a final test for each study unit.

Unit 1	Unit 1 continued	Unit 2	Unit 2 continued	Unit 2 continued
