

Literature II Sunrise Edition

based on *Perspectives of Truth in Literature* textbook

The textbook includes four units: an anthology of literature about truth, short stories, poetry, and essays. Exercises in the textbook develop vocabulary, reading comprehension, thinking skills, and composition skills. Student materials include a student study guide (which divides the textbook units into ten study units—each with a Self Check and discussion suggestions) and a final test for each study unit.

Unit 1	Unit 2	Unit 2 continued	Unit 2 continued	Unit 3
Anthology of Literature About Truth Selections: The Children of Truth The Children of a Liar Truth Crushed to Earth With Whom Is No Variable- ness Truth Of Truth All Truth Is God's Truth The Authority of the Scrip- tures Revelation God's Word We Search the World for Truth God's Unchanging Word The Bible	Short Story: Theme Selections: Those Who Will Not Learn Must Feel How Much Land Does a Man Need?
